

Campground Host Opportunities

The Bureau of Land Management (BLM), Red Rock/Sloan Field Office is seeking applications for people interested in serving as Campground Host for the Red Rock Canyon Campground, located outside of Las Vegas, NV. This is a volunteer position that pays a reimbursement of \$34 per person per day and requires a time commitment of September 1st to June 1st. Duties include overseeing the daily use of the campground, assisting visitors, fee collections, cleaning and minor maintenance. Hosts are provided their own RV camp space which has waste dump, water, and propane gas (electricity not provided). A gas generator will be provided for electricity; camp hosts must provide their own gas for the generator. Individuals or couples may apply.

The Red Rock Canyon Campground is located three miles east of the Red Rock Canyon Visitor Center on State Route 159 in the Red Rock Canyon National Conservation Area (RRCNCA). The campground has 52 individual campsites (including 14 walk-in sites) and 7 group campsites. Campground amenities include vault toilets, picnic tables, BBQ grills, fire pits, tent pads, shade structures, and potable water.

RRCNCA is a congressionally designated area managed for its diverse geological, cultural, biological, and recreational resource values. RRCNCA is the focal point of many outdoor recreation activities and events including sightseeing, picnicking, camping, hiking, bicycling, bird watching, horseback riding, backpacking, rock scrambling, and technical rock climbing.

Please contact Lee Kirk at 702-515-5227 or at jkirk@blm.gov if you are interested in becoming a campground host.
